

CLEARWATER RESOURCE CONSERVATION AND DEVELOPMENT COUNCIL, INC.

P.O. BOX 9576, MOSCOW, ID 83843-0176 (208) 669-0975

The Clearwater RC&D Council's mission is to provide leadership in building local collaborations for sustainable community and resource development that will improve the quality of life for residents of north-central Idaho.

August 25, 2015

REQUEST FOR QUOTATION

The Clearwater Resource Conservation and Development Council, on behalf of the Clearwater Basin Collaborative (CBC), is seeking Helicopter Services for Elk Capture and Transport.

Helicopter service will capture and recapture a total of approximately 75 adult female elk distributed across four study areas in the Clearwater River Basin, Idaho. Most animals will be captured via darting with immobilizing drugs. Contractor will transport the private contractor and/or agency personnel to the capture site to process animals. Alternatively, contractor may transport elk to a base station for processing by a private contractor and/or agency personnel. Helicopter crews may need to fit radio collars and collect blood, DNA, and other biological samples from elk as needed. A fixed-wing may be contracted separately by CBC and may be used to decrease helicopter search time (in some areas) for cow elk. Capture operation to be conducted December 8 – 16, 2015.

Qualified Contractors must have prior experience darting ungulates in mountainous terrain. Qualified contractors are asked to complete and submit the attached Request for Quotation (RFQ) form and Helicopter and Pilot Qualifications statement.

Completed forms must be received by email at the address listed on the RFQ by **5:00 p.m. PST, September 4, 2015** to qualify for consideration.

Please feel free to contact Kelli Rosellini, CBC Coordinator, at 208-827-0309 if you have any questions.

Sincerely,

Renee Hill
Executive Director
Clearwater Resource Conservation & Development Council, Inc.
